● ABOUT ME

I am a passionate and hardworking web developer with a strong foundation in full-stack web development, having completed a NAVTTC-certified training program. I have hands-on experience with modern front-end and back-end technologies including HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, React, Node.js, Express.js, and MongoDB. I enjoy learning new tools and best practices to build responsive, user-friendly, and scalable web applications. I am seeking an opportunity to apply my technical skills in a professional environment and continue growing as a full-stack developer.
